

Welcome to FAITH CHRISTIAN CO-OP

WHAT IS A CO-OP?

A homeschool co-op is a group of families who get together to provide their children with educational and social opportunities. Co-ops can offer classes, field trips, and other activities that might be difficult to arrange independently.

WARRIORS FOR CHRIST

Finally, my brethren, be strong in the Lord, and in the power of his might. Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.

Ephesians 6:10-11

WHAT IS OUR PLAN?

- To equip native families with quality, home based education. Many families are looking to homeschool, but they need the resources and instructions on how to do so.
- Provide gospel-saturated co-op to reach more children and families for Christ. A gospel-saturated co-op is a one that students not only encounter the truth of Jesus in one class but where the love and grace of Jesus are experienced all throughout the co-op.
- Parents will attend with their students at least one of the two days of co-op. Co-op will be broken down into two different groups to service more students.
