Dear Friends in Christ,

We can't believe it's almost summer! We are approaching our busiest time of the year, and we are looking forward to all that God has in store. We will have many groups that come out to help throughout the summer. Some will help with VBS and others will perform service projects. Probably the most exciting event of the year is taking the kids to camp each summer! Last year God moved in mighty ways, but we don't want to live on last year's blessings. We are already praying for God to show up again this year! We covet your prayers as we go into another summer.

BIG ANNOUNCEMENT!!

The Shaws moved to Montana from South Carolina in 2023 to start a school for the native children. Feel free to read all about it at crowmissions.org. After a year of getting to know the people and working in the church, they see the need to start a homeschool co-op this fall.

WHAT IS A CO-OP?

A homeschool co-op is a group of families who get together to provide their children with educational and social opportunities. Co-ops can offer classes, field trips, and other activities that might be difficult to arrange independently.

WARRIORS FOR CHRIST

Finally, my brethren, be strong in the Lord, and in the power of his might. Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.

Ephesians 6:10-11

WHAT IS OUR PLAN?

- To equip native families with quality, home based education. Many families are looking to homeschool, but they need the resources and instructions on how to do so.
- Provide gospel-saturated co-op to reach more children and families for Christ. A gospel-saturated co-op is a one that students not only encounter the truth of Jesus in one class but where the love and grace of Jesus are experienced all throughout the co-op.
- Parents will attend with their students at least one of the two days of co-op. Co-op will be broken down into two different groups to service more students.
